FAQ'S

FREQUENTLY ASKED QUESTIONS ABOUT THE HELP GRANT

1. I do not yet have a 20 on the ACT. Can I continue to take the ACT to increase my score?

Yes, you can test through the July ACT test date following high school graduation. You must score a minimum of 20 prior to enrolling as a first-time college student.

2. Must I reapply for HELP every year?

Yes. File the renewal application by March 31. Submit supporting documents by the April 30 deadline.

3. Is my grade point average (GPA) checked at the end of each semester or at the end of the academic year? Besides my GPA, what else is checked?

The grade point average of HELP recipients will be reviewed at the end of each semester/trimester to confirm eligibility. HELP recipients will also be monitored for continuous full-time enrollment (15 credit hours) at the end of each semester/trimester.

4. What if I drop below full-time enrollment during the semester?

A student must maintain full time enrollment. If a student drops below full-time status during the semester or trimester of the academic year, that student is ineligible to receive funds during the next semester or trimester of full-time enrollment of a regular academic year.

5. I have lost eligibility for HELP. How can I regain eligibility?

If a student loses HELP eligibility due to less than full-time enrollment status (15 credit hours), that student must attend and pay for, without the benefit of HELP funds, one full-time semester or trimester during a regular academic year before regaining eligibility unless an exception for cause has been granted. If a student loses HELP eligibility due to having less than a 2.5 GPA that student will regain eligibility when the cumulative GPA is improved to the required minimum.

6. Is HELP available to me for summer school?

No. HELP is available during the regular academic year only.

7. If I qualify for HELP, MTAG, & MESG, can I receive all three?

No. State aid cannot be stacked. The state will award the grant with the highest value, so you would receive only the HELP grant.

8. I met all the requirements for HELP out of high school but missed the deadline. Can I get HELP my 2nd year of college?

Yes. If you are within one year of high school graduation you may have eligibility for the HELP grant.
